**We are headed by Ms Meher Framjee (CEO)** who comes with several years of past experience and is a well known name in the travel trade. Under her capable hands, we have an energetic and enthusiastic team, all who have had several years of experience in the travel and tour industry.

**Holidays@Leisure offers specialist services** that create a lasting impression for **FIT/GIT clients, every meeting, incentive, conference or other event.** We will apply our experience and creative thinking to help your business host an amazing forum that achieves your desired outcome. Through our exceptional relationships with our overseas supplier, airlines, hotels, transport companies and regional authorities, we can provide logistics, travel and entertainment at very competitive rates.

**Besides the FIT services which we specialize in, we also offer MICE Services : Meetings / Incentives / Conferences / Events.**

The growth of Business and Conferences has given birth to MICE Tourism both in India/worldwide and it is on the increase as several luxury hotels have come up with a number of facilities to host business meetings and tour packages -to enhance our rich culture and heritage.

With expertise that traverses far beyond group travel into the inspirational world of corporate events, both in India and worldwide, we have the ability to manage corporate forums of any shape or size – from private dinner parties, to multinational conferences. Whether your event is large or small, our aim is to create an impact the moment your guests arrive. We see every corporate event as a vital opportunity for your business to achieve goals – whether you want to inspire your staff, build relationships with prospects, or close a new deal with your customers.

**Our model of excellence:**

We start by understanding your corporate objectives, including the needs and interests of your audience, and how your event can help you fulfill those needs. Working to your specific objectives, we then create your unique event from the ground up. From creative development to logistical planning and programme execution, we deliver innovative
